July 2009

Praise Report.

There are now three schools that have completed two years of training and who have started with their third intake of students

0000000

During the few months of ministering in South Africa we have seen literally hundred's of people making first time commitments and/or even recommitments to the Lord.

0000000

we have a webpage!!

0000000

there is a new kind of 'buzz' in most churches where we have preached. Something is happening or else something great is about to happen!!

John 12:32

And I, if I am lifted up from the earth, will draw all peoples to Myself."

Let us continue to preach Jesus and Him Crucified, then things will happen!!

Dear Friends,

May the Lord of peace Himself give you peace always in every way.

We had a good and busy program since I have recovered from the hernia operation.

It is with much thankfulness that we write you the following short report of the activities of Word to World Ministries. I cannot really continue to write before I have expressed our appreciation firstly to the LORD for His amazing grace that we are daily experiencing in our lives and this ministry, as well as to YOU for supporting this ministry in different ways.

Supporting a ministry can be done in different ways:

There are those who pray. *This is perhaps the most important of all, as all things in the ministry depend on the help and guidance of God and His response to the prayers of the saints. We have on several occasions said to one another that it is only possible to do this work when there is proper prayer back-up. There are times when the going is tough, and then I would say that she wonders if people are praying.*

Then there are those individuals and churches that support the ministry financially. As you all know, it is just impossible to do any of the Lord's work without finances. Thank you for your faithfulness in helping to support the various schools in India and Nepal, helping us to travel and work in far away places and helping us to survive. It is our prayer that you will be blessed in measures that are only possible by God.

*One of the reasons why we can do so much work outside the country and all over S Africa is the fact that we have the wonderful blessing of staying at **Shepherd's Flock Ministries** where we are cared for in all of our needs as far as a roof over our heads and food is concerned. What a blessing to be able to pull the door close and leave on an extended mission trip without any concerns whatsoever about the safety of our possessions etc.*

This is now our fifth year at SFM and we are grateful for the love and support that we are receiving from ps Rinus Pretorius and all the precious saints here.

Support comes in various ways; e.g.: we have been blessed many times with wonderful accommodation, or someone noticing that there is something wrong with the car and pays for the repairs or replacements of the necessary parts, as well as in many other ways.

We thank you one and all for your support, and want to remind you that you are part of every soul that gets saved through this ministry as well as every success that we have and will achieve by the grace of our Lord.

If you or your church is not supporting any soul winning ministry, please consider us as we need to plant more schools in India.

KIMBERLEY

Home, sweet home!!

During the month of April we spend some time with some of the churches and friends in Kimberley. It was good to minister in **The AGS Diamantstad Tabernakel** and to spend time with ps Hansie Smit and ps Neels de Klerk.

We also preached in the **PPK church** and had a good time of fellowship with ps Johan and Elsabe Nortje. During the week we had a meeting with ps Garth Lee and the leaders of the **Kimberley Christian Fellowship**.

The following Sunday Morning we preached at the **Lerato Park Christian Ministry**. Ewald and Anrie Steyn are doing a great work amongst this needy people. There are currently 130 children and some adults who are members of this church.

We had a midweek outreach with ps Emmanuel Brace in **Delportshoop**, a small town some 75km west of Kimberley. Several people gave their lives to the Lord including some senior citizens:

INDIA

Our co-workers **Johan Greeff** and **Jarrood Moore** are returning to India mid August and will spend about one month in India. Johan's daughter **Tamzyn** will join them. They will visit all the schools and will also meet with several pastors who are interested to begin with a school at their churches. Some of these pastors are from remote areas in the state of Andhra Pradesh. The more remote the schools can be the better as it means that we can reach into very difficult areas with the Gospel of our Lord.

Please pray for them.

The work is going amazingly well at the various schools, and we can only give God the glory.

OTHER MINISTRY

During the last few months we have ministered in the Evangelies Gereformeerde Kerk, Kriel; The Bulembu Church and saw mills in Bulembu Swaziland; twice in the Full Gospel Church Sunnyside Pretoria; Goldfields Christian AOG in Welkom; Morning Light AOG in Krugersdorp; Christian Community Church in Alberton; in Eersterus; The Kingsway AGS in Amanzimtoti; Bethel Fellowship in Durban; Beacon AOG in Ladysmith; the Gauteng conference of the South African Association of Evangelists; Harvest Christian Church Mulbarton; Winds of Change AOG Mondeor; and Freeway Park AOG in Boksburg.

All of these meetings were times of great blessing as the Holy Spirit touched hearts and changed lives.

We are thankful towards all these pastors for opening their pulpits to us and pray that they and their churches have been blessed too.

We have a website!!!

There are still some things that I have to do on the site but I am sure it won't take too long now. But in the mean time visit us at:

SEEK HIM FIRST

The 2nd annual Prayer and Fasting conference was held over the weekend of 15-17 May. This is truly a conference with a difference as there are no attractions other than the Lord.

The Holy Spirit could have His way.

The result is that people attended, not because of great names but simply to gather together in the presence of the Lord. It is therefore no wonder that the service on Saturday lasted for 12 hours with just a few short water breaks and a little time to refresh in between. After every service there was reluctance in the people to retire. There were powerful prayer sessions and time was given for anyone who wanted to give testimony of what the Lord is doing in his or her life

The presence of the Lord was so real and the Holy Spirit worked wonderfully and powerfully in the lives of those who attended.

Many testimonies of how God touched and changed lives were given as well as how He has answered the prayers.

One of the pastors who attended with quite a few members of his church said to me that he strongly consider closing his church for the next camp and encourage all his members to attend. Another said that it will be compulsory for his leadership to attend the next 'Seek Him First' conference.

To me personally the conference was like a welcome oasis along the road. The focus was not on man but on our Great and Wonderful God. The general desire was to dwell in His presence and to enjoy His closeness. We were not disappointed.

The whole of the Stoney Ridge campsite has been booked for the weekend of 7-9 May 2010 if the Lord is willing and if He tarries to come. YOU are welcome to attend.

If the Lord is willing.....
