September 2010

Dear Friends,

Soon after I have send out the previous newsletter by email, dr. Thomas Varghese contacted me and said I did not state the facts correctly, even had the spelling of the town wrong, but that is how I have heard it.

Here are the corrections:

The book 'Kindling Feeding and Spreading the Flame is used amongst Christian teachers who are in secular schools, which is managed by the Methodist church in Ghaziabad, Uttar Pradesh, 87 has completed the training and graduated in July 2009.

Ina also lodged a complaint: she said our photo looks as if we are agents in the secret service. Well sometimes we have to be secret agents but we don't have to publish it, right?

What I actually wanted you to see is the beautiful scenery in Albi where Chrisjan plays rugby but the scene was overshadowed by the agents. Sorry.....!.

Page down and enjoy the heart of Albi in the Tarn Province of France:

Love you LOTS!!!

Johan and Ina
