September 2010

Dear Friends,

It was great to spend time with Chrisjan Carole and Elena in France. Much too soon it was time to go and we arrived in Kathmandu, Nepal on 2 Sept. We spent 8 days in Nepal preaching and teaching the good news to people. 25 people attended the Kingdom Advance Training (KAT) clinic in Kathmandu (where we have the WtW School) and 9 in Damar, a remote city in East Nepal. For the last 12 years Nepal had suffered badly with corrupt and unstable government. Since February 2010 they had seven prime minister's elections – all indecisive. The next election will be on 25 Sept. Please pray for this country as all people including our brothers and sisters are suffering because of the selfishness of political leaders. I realized that true country leaders should put their people and country first, then their parties followed by themselves. For us as believers and disciples and leaders we always have to place Christ and His Body first. Our own interests and comforts should be last.

Thanks for praying for us!!! Ina has shared with those on her address list about the great things God is doing. Here are some more testimonies for which we are very thankful and praising the Lord!

Today I received an email from Ps Devanandam who was the principal of the WtW Hyderabad School. Although the school has closed in Hyderabad about a year ago, the fruit is growing. He wrote: **'FROM OUR WTW SCHOOL AROUND 16 PASTORS HAVE ESTABLISHED THEIR OWN CHURCHES FOR WHICH I AM THANKFUL TO YOU AND GOD'**

Now we are in Noida near Delhi and tomorrow and Saturday we will present the KAT Clinic to the theological students at the Eastern Theological Seminary in Delhi. On Sunday we will minister at one of the local churches.

Dr Thomas Varghese is the president of the Seminary and told us that the book "Kindling, Feeding and Spreading the Flame" (which was translated into Hindi) is also used by the Methodist teacher's training College in Dazibad, Uttar Pradesh and that 87 students has graduated a few weeks ago. He told us that the book is actually used by many pastors and disciples in various parts of North India.

This gave us reason to celebrate, first we glorify and thank God in our celebrations, secondly we are going to search for a McDonalds and enjoy a good original burger (original = without spices)

If the Lord is willing we will travel to Andhra Pradesh (AP) on Monday morning 13 Sept. We have a very full program waiting for us in Visakhapatnam, Rajahmundry and Razole in East Godavari, AP., but Johan Greeff and Jarrod Moore will join us from 19 Sept onwards and help us to present KAT clinics at Narsapur and Mimmidivaram in West Godavari and also with clinics in Guntur and Vijayawada. From there they will go to Balangir, Orissa to present another KAT clinic. If the Lord is willing we will return home from Bangalore on 6 October.

Love you Lots!!! Thank you for your prayers and financial support. Without it we cannot do this work of reaching the unsaved for Christ.
