

Be Blessed!

To all our Friends,

We had our white Christmas but this came more than three weeks too early!! I cannot say that we are praying for a white Christmas for you in SA and Asia as it may just upset the whole global warming thing even more.

2010 has been a wonderful year with lots of challenges. Many new doors for ministry have opened and we had the opportunity to bring the gospel of our Lord to many and saw many responding to the good news of salvation. It is our prayers that they will become usable disciples of our Lord Jesus Christ. Many have been trained as evangelists and church planters. Others have been inspired to be more effective in their work as disciples.

To all of you who have been supporting this ministry with prayers and finances we want to say a HUGE thank you! We pray that our Lord will continue to bless you in ALL your ways, that you will have a blessed festive season and enjoy a very prosperous 2011.

The last newsletter for 2010 will follow soon. Love you Lots!!
