Dear Friends,

Trust that you and all are very well. The year has come and gone and we praise the Lord for every soul that called on His name for salvation and every disciple that has been made during 2011.

For us it has been an extremely busy and full year with lots of travelling, many services, leaders-meetings and training sessions. We are thankful to the Lord for giving us the means and health to do so and to be an evangelist to several churches.

By His grace we saw many delivered, healed and saved in many parts of the world, including India, Malaysia, Singapore, Indonesia, Brazil and South Africa.

Trust that you have been getting the in-between email updates as well as Ina's faithful posts on Facebook.

The recent trip to India had its own challenges with visas and Ina not being so well. Although we planned to come back mid Dec, Ina returned on 4 Nov and myself on the 23rd.

In spite of all the problems I am satisfied with the overall progress and ministry, as we believe that the Lord has touched and changed many lives and challenged believers to live closer to Him. Nihar Nanda is doing a great job in a state in India. Over a period of 18 months more than 70 House Churches have been planted, totaling more than 700 new believers. Most of these new believers are students. Glory to God.

Johan Greeff, our co-worker to India, will visit Nihar and the area again in February and continue with house church and leadership training.

The program for 2012 is almost filled up with many invitations and lots of ministry and things to do.

We pray that the second edition (with quite a number of changes) of the book **Kindling, Feeding and Spreading the Flame** will be printed very early in the new year as there is a great demand for this book especially in India.

Be refreshed.....!!!

It is our prayer that you will have an amazing festive season as well as a time of rest and that the reality of Jesus Christ's birth, live, death, resurrection and coming again will be refreshed in our hearts and minds during this time.

A Festive Season Message.....

I read Philippians 4 this morning, this may well be a message for the festive season. The world is luring so many away from a true spiritual life and is also creeping into the church. Meditate again with me on the things that really matters: things that are true, things that are noble, things that are just and pure, things that are lovely and whatever things are of good report. This will help to stay on the narrow path, as few will find it.

Thank you so much for your prayers, your love and your financial support. You are partners with us in advancing the Kingdom of God in difficult areas and we pray that we will be even more efficient in fulfilling the great commission of our Lord in the year to come.

Thank you to all those who have welcomed us into their churches to preach this great message of Salvation.

You are all very precious to us, and those of you in fulltime ministry please know that we pray for you to continue with strength and power. No matter whether your ministry is small or huge, you are needed and you are making a difference. If you make a difference in only one person's life it means a lot to our Lord Jesus Christ and our Father in Heaven

The grace of our Lord Jesus Christ be with you all.....

Johan and Ina
