September 2012

Alan and I flying in India.

**Dear Brothers and Sisters-in-Christ,**

This was a very productive and successful trip. Altogether we presented x8 Clinics (x5 by us and x3 by Nihar) in 6 different areas to 230 students. All the Clinics were well attended and we feel that all of them were effective and were received with great enthusiasm.

We were also able to break into a new area called Indore (mini-Mumbai) and we believe that God opened the door wide there for the advancement of His Kingdom.

Currently there are more than 100 House Churches and in excess of 1350 people attending and it is growing daily.

All glory to God! **Matthew 16:18, "I will build my Church and the gates of hell will not prevail against it."**

House Churches / Church Meetings

Sharing at a House Church in Raipur

Preaching at House Church in Indore

We were honoured to visit and minister at House Churches and were greatly encouraged by the attitude of the people and leaders and how constructive these meetings were.

During the Sunday morning Church service in Indore, some 50 people responded to the salvation invitation. We trust that the seed that was sown there will take root into good soil that God has prepared in advance.

## Clinics

As mentioned earlier, the Clinics were very good but also challenging at times. Some were conducted in extreme heat and others "under the radar", as again, we were tracked down by the police in one area for 4 days.

But ALL the Clinics were completed as planned and it was "Mission Accomplished!" God is in charge!

**Training and Equipping**

The Roman Road (verses from the book of Romans) is only one of the methods for evangelism and this is shared at the Clinics. Each leader in each area is given a book with 52 foundational teachings, written by pastor Johan van der Westhuizen.

**Foundational Teachings Book.**

During each Clinic, the vision and mission is shared in detail, with all leaders and students, about effective evangelism and the advancement of the Kingdom of God through House Church planting. We equip House Church leaders who will plant Churches, who will plant Churches, who will plant Churches, until Jesus comes back.

**Travelling**

Altogether Alan and I each had 10 flights during this trip. We also travelled in trains, but most of the local travelling was done in auto rickshaws.

**Luggage transported from station to hotel**

**With Nihar for his 1st flight ever**

**Idolatry**

This remains rife in India wherever you go. There is so much of it, and the festivals that go with it, that it is impossible to show it all.

**Some Hindu “gods” on a temple**

**Some more “gods”**

**Environment**

India, in many places, is very dirty and smelly. Dirt is all over and usually it is just swept together and gets burned on the spot. Animals are all over the roads, even in the cities and vehicles have to make way for them.

**Locals washing in a pond in town**

**Roadside dirt**

**Local “bakkie” transporting water tanks**

**Local relaxing in-between the dirt**

**Fun and Games**

We had lots of moments of laughter and experienced some weird stuff.

**Alan at a flea market**

**Indian birthday tradition (birthday cake in the face.)**

**Leaders at House Churches**

We are blessed that God has given us strong leaders for each of the x6 areas where the planting of House Churches has taken off, so far.

### **Prison Ministry**

I have been ministering at Goodwood Prison, 4 times a week, for the past 6 years. Two Church services, counselling and EE3 happens on a weekly basis. Many lives are touched and positively influenced.

One of my friends, in fact I call him my son-in-the-Lord, who was previously a Satanist, got saved in prison, was released the beginning of July and was baptised at Edge Church about a month ago. He now has permanent employment and is doing extremely well. I praise God for this, and many other success stories. Far more than what I could ever have thought or imagined. Our God can, and does truly set the captives free.

**Welcome and I on the  
day of his release**

**His first meal outside,  
with Peter Bresler & I**

### **In conclusion**

Again, I thank the Lord for being able to live my dream. This is such an honour. I believe that I am doing exactly what God has called me to do (Phil 3:12). To Him be all the Glory for ever and ever.

I want to thank everyone who supports me in any way to be able to do what I do. May God bless you richly and reward you at the right time. (Gal 6:9)

Thank you so much!
