Dear friends,

We trust that you are all well and blessed.

Once again we can report on a positive note that the ministry is going well, that we saw many precious people committing and recommitting their lives to the Lord. Our dear Lord Jesus Christ baptized others in the Holy Spirit and Fire. We testify to the fact that He is alive; He still heals all kinds of disease, all kinds of broken hearts and still sets the captives free.

It is so good to be in His service and to know Him in these challenging end times on our old planet. It is good to be messengers of hope to the hopeless, to those in darkness and to those who are Christians without Christ.

Surely we do have our challenges and setbacks like in any ministry, but to talk about His glory and grace gives more strength than moaning and groaning.

Malaysia

Our son Hannes said that we have only two kinds of pictures on Facebook when we are in Malaysia; it is either preaching or eating. Now that is true and very Biblical too as breaking of bread and steadfast continuation in the doctrine of the apostles are two of the four important pillars of our faith....

The church in Malaysia is very active. To attend a prayer meeting where almost 500 saints were praying in tongues for more than an hour on a Wednesday night was a great strengthening and encouraging experience.

Once again our dear friend David Yap arranged a very exciting and busy ministry program for us in the Klang valley, and Edmund Chan hosted us and arranged several meetings in Penang and North Malaysia. During the week we ministered mainly in Full Gospel Business Men chapters and weekends in churches. I had the honour to give my testimony at three well attended FGBM evangelistic banquets; where many committed their lives to the Lord. We are so proud of David as he has been appointed secretary to datuk Paul Loh, who has recently been appointed minister in the Prime Minister's Department. Datuk Paul Loh used to be the president of Transparency International Malaysia and is a born again Christian.

Indonesia

Medan is the capitol of the North Sumatra province of Indonesia.

We had the privilege to teach the gospel of John in the mornings and the Empower to Evangelise course in the evenings at the WIBI Bible College founded by Susan Hoover.

The meetings in two different churches went well, and the Lord answered when we prayed for a fresh baptism in the Holy Spirit and Fire.

Philippines

From Medan we went to Philippines where we worked in the cities of Davao in the Mindanao province and Gensan (aka General Santos) in the southern province; Soccsksargen.

Right: Ps Cleo Carmona and family

Here we preached in different churches and shared our testimony at two FGBM evangelistic banquets where several people committed and recommitted their lives to the Lord.

Gensan has the third largest tuna import harbor in South East Asia.

Pastor Cleo Carmona is a man with a vision; the president of the local FGBM and very active in planting churches and schools in the Soccsksargen. Many doors have opened for us in ministry in this province and we praise the Lord and pray that we will be able to return during 2014

Local.

We had the rare privilege of being together as a family in Cape Town for three days. It was sad that Carole, Elena and Maya could not make it to come with Chrisjan this time, but he is helping us again to visit them and our grandchildren in France in September.

Since our return from South East Asia we have ministered in Real Life Church Krugersdorp, Harvest Christian Fellowship Mulbarton, Ruach AGS Randvaal and Vryheid AOG .

At the moment we are on a ministry trip through KZN and should be back in Gauteng by the third week of August.

India – Oct 2013

If the Lord is willing I will go to India in October 2013.

Places to be visited:

Delhi: to finalize the printing of KFS and a short time of ministry.

Raipur: To conduct the first WtW church-plant conference.

Andhra Pradesh: Kingdom Advance Training at various venues.

Chennai: Outreach and Empower to Evangelize courses at various venues

Nov –Dec 2013

If the Lord is willing we will return to South East Asia at the end of the year.

The purpose is as follows:

To do ministry among FGBM chapters in East Peninsular Malaysia.

To teach and preach at Good Shepherd AOG PJ and Radiant Life in Cheras.

To teach Church History at WIBI in Medan

To marry our precious children: Desmond Frank and Sheila Christina in KL.

To all our friends, prayer partners and supporters: Thank you so much for supporting our ministry. Without friends, prayer-partners and finances no ministry can function. God is using you to bless us and to stand with us. Thank you for empowering us to be your evangelists to far away places.
