## ***Celebrating 10 years!!!***

### **Dear Friends,**

Love and peace to you in the name of our Lord Jesus Christ.

This is our second newsletter for the year but the first to celebrate our 10 years of being in this ministry.

### **GOOD MEMORIES**

We have so many memories of all the wonderful (and less wonderful) things that have happened during this period of our lives and in all things we have only reason to thank our Lord for His amazing grace.

### **PROPHECIES**

The prophecies that we have received long ago regarding this ministry were mostly fulfilled.

### **PROMISES**

The Lord has given us many promises and kept all of them. One of the most amazing promises was that we will travel together all over the world and that we should not be concerned how we get to wherever He wanted us to go and how we will return. This promise took us to 17 countries where we ministered in, many times returning to the same country such as India and South East Asia.

### **THE CALLING**

The commission that the Lord gave us was primarily to preach the Gospel and to train disciples. We have tried to do it as best as we can, always praying that the Holy Spirit will be totally in charge. This allowed us to see many many precious people praying the sinner's prayer for the first time, many others recommitting their lives to the Lord, and many dear saints being baptized as believers and filled with the Spirit.

*Continued on next page.....*

*Ina trying to hug a tree in the Redwoods in the state of Origen, USA. Some of these trees are more than 2000 years old. Just to be in these undisturbed woods was an amazing reminder of the greatness of our Lord*

**This is a very special huge *THANK YOU!* to all who supported this ministry through prayers, encouragement and financial support.**

**No ministry can function without these three most important ingredients and we in turn pray that that our Lord will bless you in ALL your ways and that He will continue to give us the strength and anointing to be in your service as evangelists to far away places.**

**Special thanks to ps Rinus Pretorius of Shepherd's Flock Ministries for providing accommodation to us for the last ten years.**

**Some have been supporting us for many years...Thank you for your faithfulness. God bless you!**

## TESTIMONIES

The ministry allowed us to witness many miraculous healings, deliverances and other supernatural things that only the Lord can do.

We have witnessed how quite a few churches developed from a handful of saints into strong ministries with great facilities.

Some of the house church movements in India has settled and is now showing healthy growth, thanks to the dedicated work of our co-workers Johan Greeff and Nihar Nanda.

We were able to see the most spectacular places on our journeys, often thinking that we have arrived at the end of the world....

Over the years God has send very precious people from many parts of the world over our path. Some of them became great friends who have made and are still making a great impact on our lives. We honour and respect them as our spiritual mentors.

God has blessed us with amazing children and grandchildren. We love you and bless you all; you are our most precious possessions on earth.

## A WONDERFUL WOMEN

Of course this journey would not have been possible without a very supporting precious wife. She is a remarkable woman, from the stock of those who were willing to walk barefoot over the Drakensberg, always ready to accept a new challenge, often under extreme difficult conditions. I thank our Lord for her.

It was an amazing adventurous 10 years and we have reason to celebrate and thank God for His kindness, blessing and guidance. All the glory belongs to Him.

## 2014

We ministered in thirteen different churches in Gauteng area during the first three months of the year.

USA – April 2014

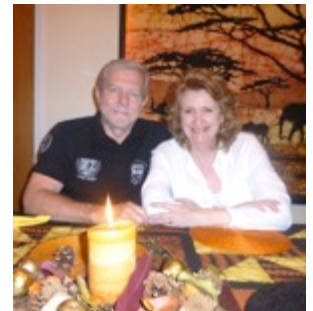

I have been to the USA some 35 years ago; at that time as unsaved as a rock. It was therefor a great privilege to visit and preach Jesus at Calvary AG Church in Brookings, Oregon. Ps Adrian and Lisa van Aswegen (above) are pastoring this strong and spirit-filled church. They became very good friends and took great care of us.

From Brookings we went to Spokane in Washington where we stayed with our dear friend and hard working missionary Beverley Wilson. We had the opportunity to minister in the Rosalia AG Church where she worships and which is pastored by ps Stewart and Susan Nereim. (above)

By the Lord's grace our program is full for the rest of the year.

If you are interested to have a copy of our program please contact us and we will forward to you with pleasure.

Love you lots!!!

*Johan and Ina*
