November 2016

Dear Friends,

Another busy year is rushing to its end and one cannot help to wonder where the time has gone. There was so much that we wanted to do, and now we are already preparing and planning for 2017.

By the grace of God we are doing very well. We had a few health hiccups, but the Lord is faithful to heal. We also had a terrible burglary while we were abroad, but He told us to *joyfully accept the plundering of our goods, knowing that we have a better and an enduring possession for ourselves in heaven. Therefore do not cast away your confidence in the Lord, which has great reward.* Heb 10:34-35

Perhaps you do not receive regular newsletters, but Ina keeps our activities up to date on Facebook. Please refer to our Facebook address above.

This year we had a full ministry program in different parts of our country and also spend three months in South East Asia. Most of this time was spend in Malaysia. **Our dear children in**

Malaysia blessed us with the use of their beautiful condominium in Cheras, Kuala Lumpur, Malaysia and with a vehicle that made us totally independent, enabling us to travel to the meetings and saving time for others who normally

would fetch us. Driving in this first world city is quite an experience as the people are so much more patient than here in South Africa. It appeared that I have been the impatient one.

In Malaysia we ministered in several churches as well as quite a number of the Full Gospel Business Men's meetings and house meetings at various places.

Highlights were when we went with pastor Alfred Ang from Singapore to the rural areas of Mentakap and Sungai Pelek in Malaysia where he ministered the Gospel of our Lord some 30-40 years ago. The people are still so open for the Good News and were so happy to see their 'pastor' again. There are only about

4000 tribal people left in the area of Sungai Pelek, many of them serving the Lord with passion. We pray that we will be able to return to them with more teaching and training material.

In Singapore we stayed with ps Alfred and Jenny Ang and ministered in the offices of our dear friend Martin Schweiger. From Singapore we travelled to Batam Indonesia by ferry and ministered in an FGB chapter as well as two Assembly of God Churches.

We had a full ministry program in the cities of General Santos and Manilla in Philippines. **Many young people attended the meetings and many received Christ as their Saviour.**

In general we are very happy and thankful about what the Lord is doing in these areas. But we must be mindful that many of the believers in these countries are first generation Christians, coming from idol worshipping religions. They are often persecuted for their new faith and need our constant prayers.

There is also a new wave of resistance against the Christians in Indonesia. Please keep these countries and all the precious saints in your prayers.

2017 will be a new year with many challenges for all of us. **Our program is full for most of the year and we will be ministering in the South African provinces of Gauteng, Western and Eastern Province, Kwa Zulu Natal and North West.**

We will return to India in April, and if the Lord is willing, to South East Asia during the second half of the year.

Once again we express our sincere appreciation to each and every individual and church that supports our ministry with prayer and finances. Every single soul saved and disciplined is a victory against the powers of darkness and brings glory to our precious Lord and Savior, Jesus Christ. It is our prayer that you will continue to be abundantly blessed in all your ways.

For those who will go on a well-deserved holiday, travel save and enjoy the time of rest. We love you Lots

Johan and Ina
